Milestones for the 2006 Budget

As of May 3, 2005

The 2006 budget is a mid-biennium budget. The Mayor has determined the 2006 Endorsed Budget will become his 2006 Proposed Budget with only a minimum number of necessary technical adjustments and new priorities. The City Council has agreed with this approach.

- **July 8, 2005** – Departments submit 2006 budget and 2006-2011 Capital Improvement Program to Department of Finance.
- **July and August 2005** – Mayor makes 2006 budget decisions.
- **Sept. 26, 2005** – Mayor delivers proposed budget, Capital Improvement Program, and budget address to City Council.
- **October & November 2005** – City Council budget deliberations; public hearings.
- **By December 2, 2005** – Full Council adopts budget and Capital Improvement Program.

Other dates of interest:

- September 20, 2005 – Primary Election Day
- November 8, 2005 – General Election Day
